About Us

"Creating ongoing relationships with our clients and extended community is what we're about."

- Shane Savill

DREAMTIME CABINS ALL STARTED WITH A CONVERSATION WHILE SURFING

Inspiration came to Shane Savill and his cousin, who came up with the idea to build portable buildings while waiting for the perfect wave.

Shane's experience in building and project management, through relocating houses throughout Auckland and Northland for nearly a decade, made the idea a feasible one.

The concept was to build an outstanding product while keeping overheads down, and pass on those benefits to the clients - making Dreamtime cabins and sheds the most competitive in the market.

Our Goals

- To buzz people out with our quirky style of service and great product, creating ongoing relationships with happy clients.
- To provide warm and healthy accommodation and office space, which meet the growing demand for both business and residential solutions.
- To surprise our clients with the quality of our product and the reliability of service, at an affordable price.

Our Values

- Honesty
- Professional Service
- Flexibility

MEDIUM CABIN 3.6 x 2.4m

This is the baby of our collection, especially designed to fit onto smaller sites, or for those who are looking for a more economic option. Great for a sleepout, home office, home gym, playroom... the list goes on.

Our Medium cabins arrive at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with 1 double power point, inside light and 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and entrance door, which includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).

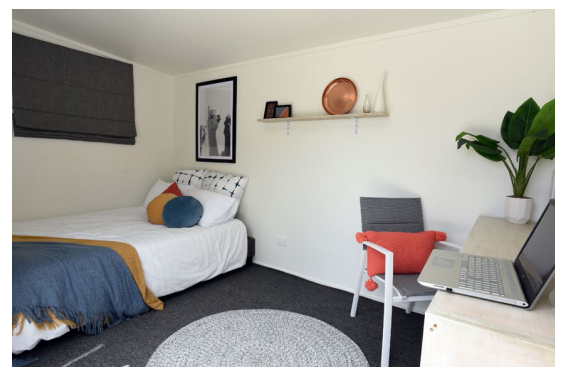

LARGE CABIN 4.2 x 2.4m

This is where your dream cabin starts... with the ranch slider on the front side of the building (in a position of your choice) a great open feel and sense of space is created. This unit is warm and cosy and makes a great double room, office space or anything else you can think of!

Our Large cabin arrives at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with 2 double power points, inside light and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).

EXTRA LARGE CABIN 4.8 x 2.4m

Our Extra Large Cabin gives you tons of space. Perfect for a couple, a single person who wants extra space, or a bedroom/lounge. This cabin sets up well with a couch and TV to create a bedroom and semi-lounge, or excellent as a large office space, hair salon, beauty therapy room, sewing room or massage room.

Our Extra Large cabins arrive at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with 2 double power points, inside light and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).

SPORTS ARENA 6 x 2.4m

This is a bedroom on steroids that oozes space and privacy. This cabin provides maximum bedroom space, allowing escape and a place to retreat from the business of everyday life. Home is where the heart is, and this unit reserves enough space to entertain with provision to regenerate mind, body and soul.

The Sports Arena arrives at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with 2 double power points, inside lights and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).

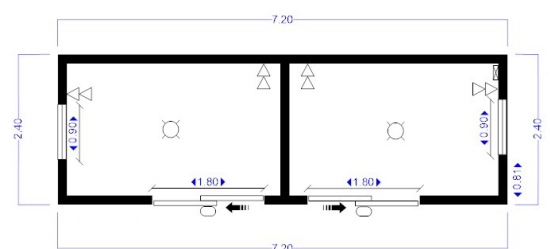

2-BEDROOM 7.2 x 2.4m (2.7 & 2.9m also available)

Add an extra 2 bedrooms to your home or rental property for under 33k with one of our 2 bedroom cabins.

Our 2-Bedroom cabins arrive at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with 4 double power points, 2 inside lights and 2 outside lights, complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With 2 x double glazed powder coated aluminium windows and 2 x ranch sliders. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).
- With internal wall that divides the cabin into 2 separate spaces.

WEATHERBOARD CABINS

4.2 or 4.8 x 2.4m (2.7 & 2.9m also available)

Timeless weatherboard exterior cladding makes these cabins look fantastic on their own or alongside your weatherboard home. Our weatherboard cabins can be constructed in our standard 4.2 x 2.4m or 4.8 x 2.4m sizes or we can consult with you and build a size to suit your requirements.

Our Weatherboard cabins arrive at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with 2 double power points, inside light and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).

VIP CABIN 4.8 x 2.4m (2.7 & 2.9m also available)

VIP EXECUTIVE 5.4 x 2.4m (2.7 & 2.9m also available)

Our VIP cabins with bathroom offer a stylish yet affordable, compact and comfortable semi-contained living space. Everything you need except the kitchen sink!

Our VIP cabins arrive at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with double power points, inside lights and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).
- With en-suite, including shower unit, toilet and hand basin.
- Including Gas Califont (runs off 9kg gas bottle)
- Including BlueBox 62 Waste Management System (This gets set up on site. It's like a mini septic tank with a temporary connection.)

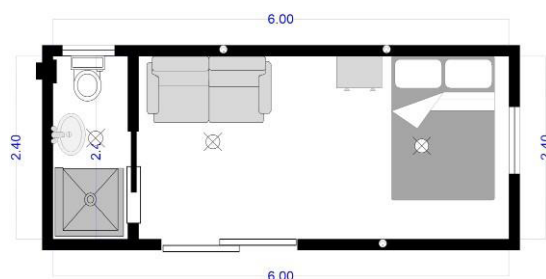

CELEBRITY BEDROOM 6 x 2.4m (2.7 & 2.9m also available)

Be the King of your own semi-contained castle and enjoy the benefits of not having to go outside for another bathroom space. This unit provides a comfortable space, helping you live the dream, and built to Dreamtime's normal high standard.

This cabin arrives at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with double power points, inside lights and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).
- With en-suite, including shower unit, toilet and hand basin.
- Including Gas Califont (runs off 9kg gas bottle)
- Including BlueBox 62 Waste Management System (This gets set up on site. It's like a mini septic tank with a temporary connection.)

SPACEMAKER, SPACEMAKER PLUS & SPACEMAKER DELUXE 6 x 2.7m (2.9m also available)

Our range of Spacemaker cabins provide all the options you need. The 2.7m width makes for a spacious interior yet still fits into a relatively small on-site area. The perfect unit to provide extra income to existing property or for family or friends staying and needing their own private space - your own minimalist tiny home.

All Spacemaker cabins arrive at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with double power points, inside lights and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).

Spacemaker Plus and Spacemaker Deluxe also include:

- En-suite, with shower unit, toilet and hand basin.
- Lino in the bathroom.
- Gas Califont (runs off 9kg gas bottle)
- BlueBox 62 Waste Management System (this gets set up on site. It is like a mini septic tank with a temporary connection.)

Spacemaker Deluxe also includes:

- Kitchenette with 1200mm sink bench with insert, kitchen tap and 450mm set of drawers.
- Lino in the kitchenette.

THE ENERGISER 7.2 x 2.7m (2.9m also available)

Feel at peace and completely energised in this expansive studio unit with the bonus of having roomy living and everything available at your fingertips. This fully contained tiny home provides a great accommodation solution.

Our Energiser cabin arrives at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with double power points, inside lights and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).
- With en-suite, including shower unit, toilet and hand basin.
- Including Gas Califont (runs off 9kg gas bottle)
- Including BlueBox 62 Waste Management System (This gets set up on site. It's like a mini septic tank with a temporary connection.)

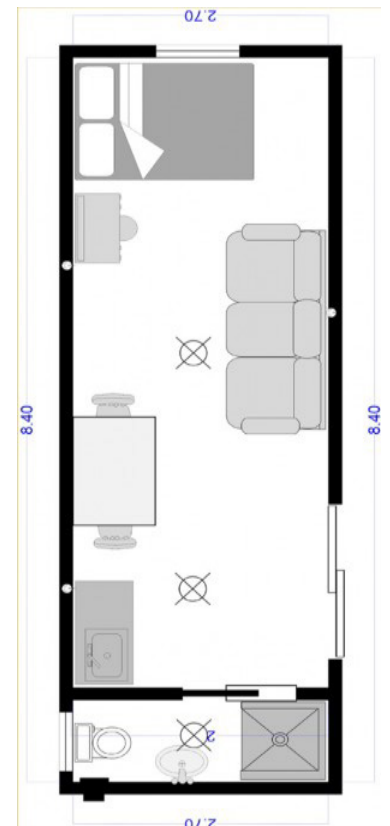

THE ENERGISER PLUS 8.4 x 2.7m (2.9m also available)

The Energiser... with even more space! This self-contained tiny home provides an excellent solution with everything you need for comfortable living plus extra space for entertaining and maximising your home environment.

Our Energiser Plus cabin arrives at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)

- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).
- With en-suite, including shower unit, toilet and hand basin.
- Including Gas Califont (runs off 9kg gas bottle)
- Including BlueBox 62 Waste Management System (This gets set up on site. It's like a mini septic tank with a temporary connection.)

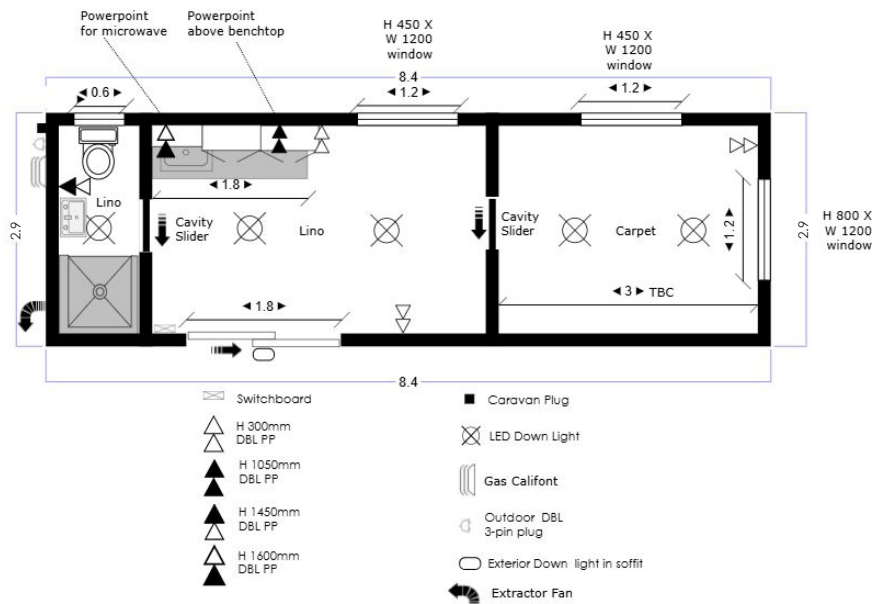

THE DREAM RETREAT 8.4 x 2.9m

THE LATEST CABIN TO BE ADDED TO OUR RANGE! It may look the same from the outside, but inside this cabin is our ultimate tiny-home. Not only does it have an en-suite bathroom, kitchen, and lounge area - it also has a separate bedroom! Three fully functional spaces make living in this self-contained cabin an absolute dream!

The Dream Retreat arrives at your property:

- Insulated (floor, walls and ceiling)
- Internally lined (with 12mm ply)
- Carpeted
- With 3 rooms - en-suite bathroom, kitchen / lounge, bedroom
- Painted interior (Dulux Ahipara white) & exterior (colour of your choice)
- Wired with double power points, inside lights and an outside light complete with 20m lead which plugs into a 3-pin plug. Includes electrical code of compliance certificate.
- With double glazed powder coated aluminium windows and ranch slider. Ranch slider includes toughened safety glass.
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding (excluding internal lining).
- With en-suite, including shower unit, toilet and hand basin.
- Including Gas Califont (runs off 9kg gas bottle)
- Including BlueBox 62 Waste Management System (This gets set up on site. It's like a mini septic tank with a temporary connection.)

TRADITIONAL SHED 3.6 x 2.4m (2.7 & 2.9m also available)

A very tidy shed for all your tools, to lock up your bikes, or for extra storage. We will place it in your own back yard or at a destination of your choice. Great unit that can be purchased on finance, costing less than you would pay for a self-storage unit and we will deliver it to your property. **BONUS BENEFIT** - this building is designed specifically to be re-purposed into an extra bedroom at the drop of a hat.

LARGE SHED 4.2 x 2.4m (2.7 & 2.9m also available)

A spacious shed for the serious gardener, or would comfortably accommodate a house lot of furniture if stacked well. They also make great general storage, or would be perfect used as a workshop.

EXTRA LARGE SHED 4.8 x 2.4m (2.7 & 2.9m also available)

Our extra-large sheds are huge! They provide massive storage space, a great working area, play room, party room or anything else you can possibly dream of.

All sheds arrive at your property:

- Unlined
- With roller-style door
- Wrapped with builders wrap
- Manufactured with 100% H3.2 treated timber, including exterior cladding.

CUSTOM-BUILT SHEDS

These shed are built to meet your particular requirements, whether it be a specific size, configuration of doors & windows, or anything else you need included. We will meet with you, find out what your needs are, and through our expert builders create a unit that matches your requirements.

CUSTOM-BUILD CABINS

This is where we sit down and talk to you about exactly what you need – preferably on-site so we can get the best feel for what you're after. We offer a free, no obligation on-site consultations & quotes. Once you are happy with the design and specs, we build your cabin to your custom design and deliver it right to your site.

Some common requests are:

- Customised extra room
- Custom joinery - custom colour, double glazing, bi-fold doors etc.
- Extra internal and external doors.
- Storage room accessible from exterior or cabin
- Customised office
- Beauty Therapy room
- Large bedroom with large windows to maximise light and warmth.

Talk to us about customising any of our cabins to suit your requirements. We design your Dreamtime Cabin for almost anything you need it for.

HANDYMAN UNITS 4.2, 4.8 or 6 x 2.4 metres

Our Handyman Shell Units are the perfect fit if you love a bit of DIY or have some tradie friends who owe you a few favours! This can be a great cost saving exercise for someone who has the time to do some of additional work.

This shell unit arrives at your property:

- With double glazed powder coated aluminium window and ranch slider. Ranch slider includes toughened safety glass.
- Unlined.
- Uninsulated.
- Painted exterior, unpainted interior.
- Unwired (no lights, power points or 3-pin plug connection)
- Manufactured with 100% H3.2 treated timber, which is highly resistant to rotting, and with regular maintenance will last as long as your home. This includes all wooden building materials including framing and exterior cladding.

Testimonials

"Dreamtime Cabins impressed me on multiple levels. Shane has an incredible sense of humour, brought forward beautiful cabins for my consideration and delivered all in a timely manner. Shane, your communication skills are unforgettable! How could so many terrific characteristics and knack find their way into one company? **I recommend Shane and Dreamtime Cabins and would hire him again in a heartbeat.**"

- Camill Amunsden

"Dreamtime Cabins provided us with an extra room we needed for our teenager moving home for 6 months. **The service was great.** The cabin was like new when it arrived, warm and clean and was able to be positioned carefully down the side of our house even though the driveway space was limited. Shane was great, always friendly and pleasant to deal with. I would definitely recommend Dreamtime Cabins to anyone needing extra space and especially to keep teenagers out of the house!"

- Graeme Chalmer

"I would like to thank-you for doing such an amazing job on our cabin. We are totally stoked with the end result and thoroughly enjoyed working with you all."

- Adam Prentice

"From the initial conversation to the delivery and installment of our cabin, we have found our dealings with Dreamtime Cabins to be just that – **a dream to deal with.** Our cabin made an ideal studio to create and work from and was a convenient solution to a problem of needing a work space at home after we had to leave our old workroom premise and couldn't find any other suitable locations.

- Sera Mitchinson

"I just wanted to say that it's a nice change to have my expectations exceeded! The cabin is perfect I now have 1 very happy daughter and 2 jealous ones."

- Peter Gow
